CHOOSING YOUR NAME

Descriptive - should tell what your business does (eg welding, trucking, marketing)

Distinctive - sets your name apart from others in the same line of business(eg Bob's, Speedy)

You should try to stay away from general terms like Enterprises, Industries, Holdings, as they have lost all meaning and are not descriptive of the type of business. Almost all combinations of these words along with 2 or 3 letters, (eg ABC Holdings Ltd.) Are already in use.

If you are incorporating the last word must be Limited, Ltd., Incorporated, Inc. Corporation, Corp., or the French Equivalent.

If you are a Society you name must include, Society, Foundation, Guild, Association, Club

() Alberta Incorporation/Extra Provincial

() Trade Name () Partnership () Society () Federal Incorporation

Chosen name (Please print clearly)

1. _____

Line of Business _____

A pre-screen of your chosen name will be done on the Alberta Corporate Registry Data Base, for exact matches and similar names. This pre-screen search **DOES NOT INCLUDE** names proposed for use, Federal Names or Trademarks which are protected and will appear on your NUANS report.

If we find a conflict with the pre-screen, you will be contacted to see if you wish to try a different name. Up to three names will be pre-screened per NUANS request without additional charges. *Choose your name carefully.*

The fee for this search request is non-refundable, and we do not guarantee that our pre-screening will find all potential conflicts as there are limitations to the search function of Alberta Corporate Registry. The purpose of a NUANS report is to search the Alberta, Federal and Trademark databases and to find all potential conflicts so that you can determine whether or not to use a name. Obtaining a NUANS report does not guarantee that you can use a name or that it is in your best interest to use a name.

I have read the above information and understand it. I agree to pay the fee of \$ 50.00 including GST.
